
PROJECT ARCHITECT

Join Brock Carmichael Architects

At Brock Carmichael, we design places that create lasting value for people and communities. With over 50 years of experience, we deliver innovative architectural solutions across residential, commercial, education, healthcare, regeneration and heritage sectors.

We're looking for an experienced Project Architect to join our Liverpool studio. You'll play a key role in leading projects from concept through to completion, working within a collaborative multidisciplinary team on a diverse portfolio of exciting commissions.

What You'll Be Doing

You'll be involved in every stage of the design process, including:

- Leading projects from concept design through to technical delivery.
- Producing high-quality drawings, presentations and technical information.
- Developing creative design solutions that respond to client briefs.
- Coordinating with consultants and multidisciplinary teams.
- Attending client, design team and site meetings.
- Developing Planning, Building Regulations and construction information.
- Working collaboratively to deliver projects on programme and within budget.
- Contributing ideas that improve both projects and the wider practice.

What We're Looking For

You'll ideally have:

- Excellent design ability with a strong technical understanding.
- Proficient in industry-standard architectural and technical software, with the ability to produce high-quality design and technical information
- Strong presentation, communication and organisational skills.
- A collaborative attitude and willingness to learn.
- Excellent attention to detail.
- The ability to manage multiple priorities effectively.
- Passion for sustainable, high-quality architecture.

Experience across a variety of project sectors would be advantageous.

We Offer

We believe great architecture comes from great people. That's why we invest in your professional development and wellbeing.

- Competitive salary.
- Professional membership fees paid
- Generous holiday allowance plus Birthday Leave.
- Long Service Awards.
- Enhanced support towards professional qualifications and career progression.
- Mentoring from our experienced Partners and senior team.
- Exposure to a diverse portfolio of projects.
- Employee Assistance Programme.
- Early Finish Fridays.
- Company social events.

- A friendly, inclusive and collaborative studio culture where your ideas are valued.

Our Values

At Brock Carmichael, our values shape everything we do. We are committed to creating inspiring places, fostering strong relationships, and delivering exceptional outcomes for our clients and communities.

We are passionate about:

- **Design Excellence** Delivering creative, thoughtful and innovative architectural solutions.
- **Collaboration** Working together with colleagues, clients and consultants to achieve the best possible outcomes.
- **Sustainability** Embedding environmentally responsible design and sustainable thinking into every project.
- **Professional Development** Supporting continuous learning, knowledge sharing and career progression.
- **Client Focus** Building trusted relationships through outstanding service, quality and integrity.

Equality, Diversity & Inclusion

Brock Carmichael Architects LLP is an equal opportunities employer. We are committed to creating an inclusive workplace where everyone is treated with dignity and respect. We welcome applications from all suitably qualified candidates regardless of age, disability, gender identity, marital status, pregnancy or maternity, race, religion or belief, sex, or sexual orientation.

Build Your Future With Us

If you're looking for the opportunity to work on exciting projects, develop your skills and build your career within a supportive architectural practice, we'd love to hear from you.

Join Brock Carmichael and help create places that make a difference.
